

Diocese of Lancaster - Parish of

Health and Safety Statement

1. The parish provides and maintains a safe and healthy working environment for employees and voluntary workers, providing appropriate tools, equipment and protection necessary for work on and within parish premises.
2. The parish will provide information, instruction and training necessary for employees and voluntary workers to undertake their work in a safe and healthy way.
3. The parish will provide suitable welfare facilities and make arrangements for the comfort and convenience of all of its workers both paid and unpaid.
4. The parish will provide information regarding the safety or safe use of all tools and equipment needed in carrying out services for the parish.
5. The parish accepts responsibility to provide appropriate levels of safety for other people who may be affected by its activities i.e. visitors, neighbours, contractors and the like.
6. The parish is committed to minimise the risks created by its activities, products and services, organising its activities in a way that secures involvement and participation with all employees and voluntary workers. Our commitment to this policy is to give every assistance to develop a positive health and safety culture.
